EMPLOYEE MATTERS

Employees add a whole different dimension to a company's operation. It is important for a company to effectively implement clear and consistent strategies to deal with employee and employment matters.

We work hand in hand with companies to implement strategies to get the most out of employee relationships while minimizing potential exposure. We provide employer related employment services concerning executive employment contract drafting/negotiation, employee policy/handbook review/drafting, confidentiality agreements, nonsolicitation agreements, noncompete agreements and independent contractor agreements.
